Justice James Patterson
Chairman, Elections Commission
41 High Street
Kingston, Georgetown

Dear Chairman,

I wrote you earlier acknowledging receipt of your letter dated 2019.02.21 and the documents enclosed. I have noted the requirements stated by the Guyana Elections Commission therein, for the preparation and delivery of General and Regional Elections in 2019.

I have noted also, that GECOM, as a Constitutional agency would require a new appropriation of funds approved by the National Assembly for the conduct of General and Regional Elections.

I now write you in that context for us to initiate consultations on the readiness of GECOM for the conduct of General and Regional Elections in 2019.

Sincerely,

David Granger
President of the Co-operative Republic of Guyana
